ORIEL COLLEGE
Staff–student relationships policy

The policy generally relates to members of staff who have any responsibility for a student with whom they are having or have had a relationship with or where there is a family or close personal relationship with the student i.e. Uncle, Aunt, Brother, Sister-in-law, student is a relative of a friend etc.

Introduction

1. This policy covers current and former close personal or intimate relationships, however brief and family relationships between members of staff and students. These include, but are not limited to: marital, sexual, romantic, or emotional relationships whether they are conducted in person or online and family and personal relationships.

For the purposes of this policy, a 'member of staff' should be understood as including but not limited to any individual who is working within the College under a formal contract of employment or as a casual paid worker (including graduate students and Out Tutors) and any other individual (such as visiting academics) to whom the College offers any privileges or facilities normally available to its employees.

A student should be understood as any individual who is studying for an undergraduate or postgraduate qualification, or who is a student on any course arranged by or through the University or any part of the collegiate University.

2. The College regards the professional relationship between members of staff and students as central to the student’s educational development and wellbeing. Professional relationships are any in which the staff member through his or her employment with the College has any educational, administrative, pastoral or supervisory involvement with a student or where the staff member has a governance role within the College. The College reminds staff of the importance of maintaining academic and professional integrity and of their responsibility for the welfare of students.

3. Implicit in the professional role of members of staff is an obligation to ensure that conflicts of interest do not arise, and that relationships with students for whom the staff member has any responsibility remain strictly professional, respecting the trust inherent in them.

4. While the College does not wish to regulate the private lives of its staff, it strongly advises staff not to enter into a close personal or intimate relationship with a student for whom they have any responsibility, and alerts them to the complications that may result.
5. To embark on a close personal or intimate relationship with a student often involves difficulties rooted in the inequalities of power as well as problems in maintaining the boundaries of professional and personal life. Also, these relationships could disrupt the teaching and learning environment for other students and colleagues and might lead to accusations of favouritism or bias and undermine trust in the academic process.

1. **Guidance for staff on relationships and the need for disclosure**

6. The College requires that any close personal, family or intimate relationship with a student for whom a staff member has any responsibility is brought to the attention of the Senior Tutor or Tutor for Graduates and their University Head of Department for academic staff or the Treasurer or Senior Tutor for non-academic staff in order that action can be taken to mitigate any unintended consequences. The member of staff should also disclose any former relationship with a current student for whom they are given or are to be given responsibility. If the staff member is unsure if they have any responsibility for the student, they should declare the relationship to the Senior Tutor or Tutor for Graduates and their University Head of Department for academic staff or the Treasurer or Senior Tutor for non-academic staff in order that they can assess the risk of unintended consequences arising. Any declaration of this kind will, so far as possible and subject to the specific provisions of this policy, be treated in confidence, and every effort will be made to ensure that it does not disadvantage either party with regard to their professional advancement or academic progress.

7. Disciplinary action may be taken against a member of staff who fails to declare a close personal, family or intimate relationship as required by this policy.

8. Attention is drawn to the fact that relationships involving students under the age of eighteen or vulnerable adults could fall within the scope of the Sexual Offences Act 2003 relating to persons in positions of trust having sexual relations with children under eighteen or vulnerable adults. Members of staff must not enter into a close personal or intimate relationship with a student under eighteen years of age or a vulnerable adult for whom they have any responsibility.

9. If a close personal, family or intimate relationship is pre-existing between a member of staff and a candidate for admission as a student, the member of staff must make the Senior Tutor or Tutor for Graduates aware of it at the outset of the admissions exercise, so that steps can be taken to avoid any conflict of interest arising. The matter will, as far as possible, be handled in confidence to ensure that there is no detriment to the candidate.
2. **Senior Tutor & Tutor for Graduates & Treasurer's responsibilities**

10. If such a relationship develops during the course of employment or study between a member of staff and a student for whom they have a professional responsibility, this must be disclosed by the member of staff to the Senior Tutor or Tutor for Graduates and their University Head of Department or the Treasurer or Senior Tutor for non-academic staff as early as possible so they can take steps to:

- consult with the member of staff and the student to identify any impact their relationship may have within the College;
- facilitate the re-organisation of duties to minimise contact and ensure the member of staff is not tutoring, supervising, assessing, providing pastoral care, or professionally responsible for administering activities in which the student is involved; and,
- ensure that appropriate action is taken to minimise the potential effect of the relationship on other staff and/or students.

11. In the case of a student whose studies or research are in a very specialised area, such that no alternative tutor or supervisor is available, the Senior Tutor or Tutor for Graduates should consider whether it would be appropriate to engage a co-supervisor or external supervisor, in order to ensure that the member of staff does not have sole responsibility for supervising the student’s work or for taking decisions that affect the student.

12. The Senior Tutor, Tutor for Graduates and Treasurer will deal with the situation in a manner that protects the dignity and privacy of all parties, and those involved will be expected to comply with any reasonable decision or action. There will be no obligation on the parties involved to keep their relationship confidential.

13. The Senior Tutor, Tutor for Graduates or Treasurer may seek advice on a confidential basis from the HR Manager.

3. **Guidance for students on relationships and the need for disclosure**

14. The College advises students not to enter into any relationship with a member of College staff with any responsibility for them, as it may lead the staff member to compromise the integrity of their professional relationship. If such a relationship develops, and the student is not sure that a member of staff has disclosed their relationship, they are encouraged to independently advise the Senior Tutor or Tutor for Graduates or Treasurer.

4. **Non-consensual relationships or inappropriate behaviour**

15. If any student finds themselves in receipt of unwanted or inappropriate behaviour or involved in a relationship that they do not consider to be truly consensual, or if they consider that they have been adversely affected by a
misuse of power, authority, or conflict of interest, they should refer to the College’s policy on Harassment & Bullying or contact the Senior Dean.

Members of staff who experience unwanted advances and other unwelcome behaviour from students should raise the issue with any of the Senior Dean, Treasurer, Senior Tutor or Tutor for Graduates.

5. **SUPPORT AND GUIDANCE**

16. Any member of staff or student who has questions about this policy and its application should discuss them with any of the Senior Dean, Treasurer, Senior Tutor, Tutor for Graduates or the HR Manager in the first instance.

6. **RELATIONSHIPS AND JOINT APPOINTMENTS**

17. If a member of staff who has an appointment with the University in addition to their College appointment enters into a close personal or intimate relationship with a student for which they have any responsibility, then that member of staff may be bound by University’s policies in addition to this policy.
