UNIVERSITY RESIDENCE

Residence requirements vary for graduates, depending on the type of graduate degree you are about to commence. However, as a general rule, graduates are expected to remain in residence throughout the year and incur charges accordingly. Accommodation charges for graduates are based on a minimum of 39 weeks of the year and there will be no refund during that time. It is expected that most graduates will stay in College accommodation during the long vacation (1st July to 10th September). Those who have completed their course or have good reason to move out may be released from their rental obligations with one month’s notice to the Accommodation Manager. Please advise the Accommodation Manager as early in the academic year as possible if you plan to leave by the end of June 2022 so the College can use vacant rooms during the vacation. The rent on your room will be charged quarterly in advance.

### GRADUATE FEES & CHARGES 2021/22

#### GRADUATE DEGREES BUT CLASSED AS UNDERGRADUATE FOR FEE PURPOSES

**University Regulations**

The attention of graduates is drawn to University regulations covering the number of composition fees payable for each degree ([https://www.ox.ac.uk/students/fees-funding](https://www.ox.ac.uk/students/fees-funding)), e.g. maximum of nine terms for D.Phil. (with the exception of a small number of four year D.Phil. courses, for which the maximum fee liability is 12 terms) or six terms for M.Phil., and B.Phil., or three terms for the M.Sc., and M.St degrees.

On arrival at Oriel every new graduate will receive a copy of the Examination Regulations for 2021 as part of the Registration procedure. The College and the University expects every new graduate to become familiar with the sections of this document which are relevant to him/her.

**GRADUATE FEES**

The fees and charges fixed for the academic year 2021/2022 are set out in the paragraphs which follow.

**For fee purposes the 2nd BM degrees are classified as undergraduate degrees.**

Graduates are classified as those reading for the degree of D.Phil., M.Phil., B.Phil., B.Mus., M.Litt., BD, M.St, M.Sc. The Probationer Research Student status (PRS) is also classified as graduate for fee purposes.

All new graduates, whether publicly or privately funded, will be expected to have secure funding in place ready for the start of term and to have signed and returned the “Form of Undertaking” at the back of this brochure.
Overseas students who are privately funded should pay particular attention to ensuring all the financial documentation, bank accounts etc. are in place and that fees can be paid in pounds sterling by the due date. The Bursary can be contacted for help with fee problems by e-mail at the following address: sales@oriel.ox.ac.uk

It is normally the responsibility of the College to collect the fee on behalf of the University. Confirmation of graduate fee rates are available on the University of Oxford website, https://www.ox.ac.uk/admissions/graduate/fees-and-funding/fees-and-other-charges?source=help

Any queries should be addressed to the University Fees Clerk: fees.clerk@admin.ox.ac.uk

Some courses ask students to pay a deposit to the Faculty/Department in advance to secure their place. If this has been paid please inform the Student Finance Officer (sales@oriel.ox.ac.uk) otherwise the full course fee will be applied to your account.

The University Composition fee varies widely and overseas graduate students should consult the University Graduate Studies Prospectus (http://www.ox.ac.uk/feesandfunding/graduates/) for the fee for their particular subject.

Any queries should be addressed to the University Fees Clerk: fees.clerk@admin.ox.ac.uk

**Prepayment of fees**

Occasionally a sponsor of a student may wish to pay fees in advance. This can be arranged once agreed with the Academic Office. Any payment needs to clearly reference the first name and surname of the student and a remittance advice sent to sales@oriel.ox.ac.uk.

**UNIVERSITY CONTINUATION FEES**

All graduate research students who started their research programme and who have reached the end of their standard period of fee liability are liable for the University continuation charge

The University continuation charge will be £528 per term in 2021/22.

*Please note the University continuation fee is charged and collected centrally by the University not by Oriel College and so only the College continuation charge will appear on your battels invoice.*

*Further information on the continuation charges can be found on the University of Oxford website: https://www.ox.ac.uk/admissions/graduate/fees-and-funding/fees-and-other-charges/continuation-charges*
COLLEGE CONTINUATION FEES

All graduate research students who have reached the end of their standard period of fee liability are liable for a college continuation charge of £132.00 per term. This is charged in advance on battels.

If a University faculty decides it can contribute to pay the University fee the College will not automatically follow suit. College continuation fees will still be liable as these contribute towards administration and academic costs of graduates who are towards the end of their studies but still associated with a College.

IT IS THE RESPONSIBILITY OF EACH GRADUATE TO CHECK HOW AND ON WHAT DATE THEIR FEES WILL BE PAID TO THE COLLEGE.

CHARGES

Rooms

For those graduates offered accommodation in 2021/22, we cannot guarantee where you will be housed, but in all likelihood, you will be accommodated at the Rectory Road site. There are very few rooms allocated to graduates on the main College site as these are primarily reserved for Fellows, undergraduates and those holding College Scholarships.

College and Rectory Road site

Rooms in College and at the Rectory Road site (which comprises James Mellon Hall, David Paterson House, Goldie Wing and Larmenier House) are let to graduates for the academic year and on the understanding that they will continue to occupy their rooms during vacations and you will be charged accordingly.

There could be some flexibility during the summer vacation should you decide to leave Oxford after your examinations.

Please contact the Accommodation Office at least a month before you plan to leave Oriel College Accommodation (accommodation@oriel.ox.ac.uk).

Please note that if you plan to leave during the summer vacation, you may be expected to pay for all or part of the period in advance. A rebate for unused accommodation will then be applied once you have vacated the room and an inspection has been carried out.

Set out below are the level of charges graduate students are likely to incur. These amounts include a service charge for heating, electricity, hot water and insurance of personal possessions in your room. The room grades are fixed according to the quality of the accommodation.

**Caution Deposit**

All students living in College accommodation are charged £165 on their Michaelmas Term battels. Any charges made because of room damage will appear on your final battels statement. The deposit will also be used to offset any charges for extra meals, out of term rooms etc. accrued during Trinity Term.

**Completion of Course**

On completion of your course: if you wish to leave College earlier than 10th September i.e. after the end of your examinations, then you will need to advise the Accommodation Manager of your intended departure date at least one month beforehand. All graduates must vacate their room on or before 10th September 2022 to allow for cleaning and decoration. The accommodation agreement with Oriel College is for the academic year only.

Please Note: The College cannot be responsible for providing accommodation in College for any graduate who chooses to extend a three-term M.Sc. or M.St beyond the academic year. We can allow some flexibility for those who need to remain in Oxford in order to submit a dissertation in September, but you will need to let the Accommodation Manager know well in advance so that separate arrangements can be made.

**Fridges**

There will be a charge of £10 per term for fridges in student rooms to cover utility costs. All fridges must be removed at the end of the year otherwise there will be a disposal charge of £100 taken from the room deposit. All fridges must be checked by the College electrician as soon after arrival as possible.

**Additional Heaters**

There will be a charge of £26 per term for any additional heaters brought into College. All heaters must be oil filled only.
**Library Books**

Students are responsible for the prompt return of library books borrowed from the Oriel College Library.

Fines and replacement charges can be imposed by the Librarian for the late return of books or books not returned when requested by Library Staff.

Any fines or charges cannot be rescinded once added to battels. This is to ensure that replacement copies can be made available quickly for other students.

Charges will be used towards further book resources for the Library.

**Guest Rooms**

There are 6 guest rooms which can be reserved by members of the College for visitors for up to three nights. The room rates (which include VAT and breakfast in Hall) are charged as follows:
- Single guest rooms are £47.50/night
- Twin guest room is £64.00/night

**Meals**

The College operates a booking system for meals. The system allows students to pay for meals in advance by topping up their account. Further instructions are available online and are reproduced at the end of this document.

Meals can still be booked if no credit on the prepayment card is available (up to a maximum of £250). All cards are cleared down at the end of each term. Any debt that accrues on an account will be invoiced as part of the battles bill in Hilary or Trinity term. At the end of the Academic year if a card is in credit then this amount will be allocated on the final battels invoice.

REACH OXFORD SCHOLARSHIP SCHEME

This scheme exists to enable students from developing countries to read for a degree at Oxford; it has so far proved both encouraging and successful.

To support it, the College waives its fees and the University charges only 2/5\textsuperscript{th} of its tuition fee for an overseas student.

The costs of maintenance, however, are met by members of the College.

To this end, all members are asked to contribute the sum of £42.00 annually (or £14/term) during their time at Oriel, although they are under no obligation to do so and may contract out at any time they wish. However, very few members do contract out, and this is very much appreciated.

Should you wish to contribute more than £42.00 annually (or more than £14 per term), or if you do not wish to support this scheme at all, please complete the appropriate section on the attached form and return it to us as soon as possible. If you do nothing, you will be charged £42.00 on your MT battels statement.

GENERAL INFORMATION ON CHARGES

Charges have been assessed for the academic year 2021/2022 on the best cost estimates at present available. However, if increases in costs exceed these estimates to a significant degree, the College reserves the right to introduce supplementary increases with effect from Hilary Term 2022.

PAYMENT OF ACCOUNTS

Self-funded students must pay the full year’s fees by the end of first week Michaelmas term. Sponsored students need to provide details of their sponsor arrangements as soon as possible including:

- Contact Name and email address

**LATE PAYMENTS**

Students with accommodation charges or fee liabilities will incur a penalty charge of £25 per week for any late payments. Those students with only occasional meal charges or MCR fees on their battels invoices will be charged at a rate of 2% of the outstanding balance per week (up to a maximum of £25.00).

If for any reason you anticipate a problem paying your battels account, please arrange to see the Treasurer’s Assistant beforehand. Once the penalty charge has been applied, it will only be removed in exceptional circumstances.

In addition to a penalty charge, failure to pay outstanding debts to the College by the due date without prior permission is treated as a disciplinary matter according to the following rules:

(a) any graduate member of the College who, without good reason personally explained to the Treasurer, has not paid his/her outstanding account by the end of the second week of any term, may be required to suspend studies until the debt is paid;

(b) any graduate member of the College who goes out of residence for a period and owes the College money shall not be allowed to return until the debt is paid, except by the express permission of the Governing Body.

It is the student’s responsibility to cover all sender/bank charges when transferring payment to the Oriel College bank account.

Payments cannot be accepted in any other currency than pounds sterling.

GUIDANCE FOR ONLINE TOP UP MEAL BOOKING SYSTEM

Meal Booking System – online Top Up payments

The facility has been enabled on the Meal Booking System to allow students to pay in advance for meals if they wish. The basic process is as follows.

- From the main menu choose the Transaction History button.
- Click on the 'Top-Up Card' button
- Choose the ‘Hall Top Up’ option
- Select the type of card you will be paying with (a message will appear informing you of any transaction charge should there be one).
- Enter the amount you will be paying
- Check the amount and select 'I Accept All Terms And Conditions'
- Click Continue (at this point you will be transferred to our secure payment site)
- Enter the card details as required and click 'Complete Payment'
- Once your payment has been processed you will be redirected to the completed page and an email will be sent to your email address confirming payment.
- Finally click the 'Return to Oriel College button’, this will return you to the Meal Booking website where you should see your new updated balance.

When you book a meal in hall your account will be updated and the balance on account will reduce. You can still dine with a zero or negative balance and any meals will be charged via the next battels invoice.

At the end of each month the finance team will process reports indicating who has paid in advance for any meals and any meals taken. Your battels account will be updated to reflect any prepayments and meals consumed and your balance in the meal booking system cleared off at the end of each term.

At the beginning of each term, if your account is in overall credit, the credit balance will be reflected as part of the battels invoice produced in 0th week. Any prepayments will offset other expenditure charged to reduce the overall balance due.

If your overall battels accounts is in credit this can be refunded to you within two weeks of the battels invoice being produced (please request this to sales@oriel.ox.ac.uk) as some students prefer to carry forward small credit balances). Effectively you will start with a ‘fresh slate’ at the beginning of each term.

Students are allowed an ‘overdraft’ facility on the meal booking system of up to £250.00. If you reach the £250 limit within any given term you will be required to make a top up payment in order to continue to dine in College.

If you have any queries on this process please get in touch with either Justa Gabrowska (sales@oriel.ox.ac.uk) or a member of the Hall team (hall@oriel.ox.ac.uk).
