Oriel College
Public Sector Equality Duty

The College agreed the following Public Sector Equality Duty objectives in June 2016, to be met for all College students and staff:

1. Establish baseline data on equality (representation and experiences) in respect of all the protected characteristics

2. Establish periodic monitoring of equality data

3. In light of the above, to identify any extra training needs for staff.

The above objectives are expected to be met four years from the date of publication, i.e. by 01 June 2020.
