

# Oriel College Welfare Team

## Freshers' Welcome Meetings

with the Revd Dr Rob Wainwright

**Location: Staircase 3, Room 3**

The College's Welfare Team is responsible for the wellbeing of all students. These brief get-to-know-you meetings are a check-in with Dr Wainwright who helps to oversee welfare provision in College. If you have any questions or welfare concerns then this is a good opportunity to make the Welfare Team aware of them.

**Please make a note of your time.** These meetings take priority over other freshers' events except for academic meetings with your tutor or faculty, in which case please e-mail to rearrange:
