Pre and Post Term Accommodation Charges

For those Visiting Students in College rooms who have a good reason to stay during vacation and have submitted an online *Vacation Residence Request*, charges are calculated on a daily basis at the rate appropriate to the grade of room occupied.

Students arriving before the Visiting Student arrival date or who stay on after the term end date will be charged for the additional accommodation at the day rate. Charges are made from the date of booking (not the date of arrival).

Charges are applied on the subsequent battels invoice.

Caution Deposit

All students living in College accommodation are charged £180 on their Michaelmas Term battels. This deposit will be refunded to battels at the end of the following Trinity Term. Any charges for room damages etc will appear on the final battels statement. The deposit will also be used to offset any charges for extra meals, out of term rooms etc. accrued during Trinity Term.

Mini Fridges

There will be an annual charge of £45 per term for fridges in student rooms to cover utility costs. All fridges must be removed at the end of the year otherwise there will be a disposal charge of £130 taken from the room deposit.

All fridges will be PAT tested by an electrician in Michaelmas term.

Key Cards

The College operates an electronic key card system for access to College gates and some College rooms. In the event that your key fob is lost the College will charge £50 for a replacement payable at the lodge prior to receiving the new card.

Library Books

Students are responsible for the prompt return of library books borrowed from the Oriel College Library. Fines and replacement charges can be imposed by the Librarian for the late return of books or books not returned when requested by Library Staff.

Any fines or charges cannot be rescinded once added to battels. This is to ensure that replacement copies can be made available quickly for other students. Charges will be used towards further book resources for the Library. These fines are due for payment immediately – please pay at the Bursary

Guest Rooms

There are 6 rooms which can be reserved for visitors for up to 3 nights. The room rates (which include VAT and breakfast in Hall) are charged as follows:

Meals can still be booked if no credit on the prepayment card is available (up to a maximum of £250). All cards are cleared down at the end of each term. Any debt that accrues on an account will be invoiced as part of the battels bill in Hilary or Trinity term. At the end of the Academic year if a card is in credit then this amount will be allocated on the final battels invoice.

All special meals, parties etc. booked in College and all guest rooms and guest meals incur VAT at the standard rate (at present 20%).

General

Charges have been assessed for the academic year 2026/27 on the best estimates at present available. However, if increases in costs exceed these estimates to a significant degree, the College reserves the right to introduce supplementary increases with effect from Hilary Term 2027.

LATE PAYMENTS

For living in students, a penalty charge of £25 per week will be applied for late payments. Those students with only occasional meal charges on their battels invoices will be charged at a rate of 2% of the outstanding balance per week. Once the penalty charge has been applied, it will only be removed in exceptional circumstances.

In addition to a penalty charge, failure to pay outstanding debts to the College by the due date without prior permission is treated as a disciplinary matter according to the following rules:

- a) Any junior member of the College who, without good reason personally explained to the Treasurer, has not paid his/her outstanding account by the end of the second week of term, may be required to suspend studies until the debt is paid.
- b) Any junior member of the College who goes out of residence for a period and owes the College money shall not be allowed to return until the debt is paid, except by express permission of the Governing Body.

Non payment of battels may also result in students forfeiting their right to take part in the following years accommodation ballot.

It is the student's responsibility to cover all sender/bank charges when transferring payment to the Oriel College bank account. Payments cannot be accepted in any other currency than pounds sterling.

REACH OXFORD SCHOLARSHIP SCHEME

This scheme exists to enable students from developing countries to read for a degree at Oxford; it has so far proved both encouraging and successful.

VISITING STUDENS FEES & CHARGES 2026/27

To support it, the College waives its fees and the University charges only 2/5th of its tuition fee for an overseas student.

The costs of maintenance, however, are met by junior members of the College. To this end, all members are asked to contribute at least £60.00 (equivalent of £15/term) during their time at Oriel, although they are under no obligation to do so and may contract out at any time they wish. However, very few members do contract out, and this is very much appreciated.

Please complete the appropriate section on the attached form and return it to us as soon as possible. If you do nothing, you will be charged £60.00 in Michaelmas term (or you can opt to pay termly should you prefer or for a different amount).

SUBJECT DINNERS

Subject dinners are normally organised by students and tutors during Hilary Term.

These dinners will be charged to your account on the following terms battels invoice. The food and drink costs (including any alcohol charges) will be split equally between all attendees regardless of diet or beverage preference or consumption.

Please note that 48 hours' notice is required should you book and then wish to cancel your subject dinner place. If a booking is made and then not attended (or cancelled within the 48 hour notice period) a full charge for the cost of the meal will be made on battels (as food will already have been purchased by the College).

Appendix C: Guidance for online Top Up meal booking system

Meal Booking System: Online Top Up Payments

The facility has been enabled on the Meal Booking System to allow students to pay in advance for meals if they wish. The basic process is as follows.

- From the main menu choose the '**Transaction History**' button.
- Click on the '**Top-Up Card**' button
- Choose the '**Hall Top Up**' option
- Select the type of card you will be paying with (a message will appear informing you of any transaction charge should there be one).
- Enter the amount you will be paying
- Check the amount and select '**I Accept All Terms And Conditions**'
- Click **Continue** (at this point you will be transferred to our secure payment site)
- Enter the card details as required and click '**Complete Payment**'
- Once your payment has been processed you will be redirected to the completed page and an email will be sent to your email address confirming payment.
- Finally click the '**Return to Oriel College button**', this will return you to the Meal Booking website where you should see your new updated balance.

When you book a meal in hall your account will be updated and the balance on account will reduce. You can still dine with a zero or negative balance and any meals will be charged via the next battels invoice.

At the end of each month the finance team will process reports indicating who has paid in advance for any meals and any meals taken. Your battels account will be updated to reflect any prepayments and meals consumed and your balance in the meal booking system cleared off at the end of each term.

At the beginning of each term, if your account is in overall credit, the credit balance will be reflected as part of the battels invoice produced in 0th week. Any prepayments will offset other expenditure charged to reduce the overall balance due.

If your overall battels account is in credit this can be refunded to you within two weeks of the battels invoice being produced (please request this to sales@oriel.ox.ac.uk) as some students prefer to carry forward small credit balances). Effectively you will start with a 'fresh slate' at the beginning of each term.

Students are allowed an 'overdraft' facility on the meal booking system of up to £250.00. If you reach the £250 limit within any given term you will be required to make a top up payment in order to continue to dine in College.

If you have any queries on this process please get in touch with sales@oriel.ox.ac.uk or hall@oriel.ox.ac.uk.
